

DEMENTIA Live®

Proven. Powerful. Essential.

A Experience for Professional and Family Caregivers

Dementia Live® offers a unique understanding of dementia as well as the aging process. It is a simulation that gives participants a sense of the challenges associated with Dementia, participants will gain a heightened awareness of what it is like to live with dementia. Participants will also leave with valuable tips and tools to improve communication and connection.

- The full process takes 45 minutes. Four caregivers can participate during the same time slot.
- Each participant must sign an event waiver to participate.

This Program will be offered again in June, 2026. Please watch the caregiver calendar for signup options.
