Dear Voter,

We received your 2026 General Election Ballot. However, you either did not sign the VOTER AFFIDAVIT on your envelope, the four-digit identifying number you provided does not match the information we have on file, or the signature on your ballot envelope does not match the signature we have on file for you. Utah law requires that a voter must sign their ballot envelope affidavit, and the signature must match the signature on the voter's registration form for the ballot to be counted.

Please complete the steps listed below as soon as possible. Your information must be received in our office no later than noon on November 16, 2026.

1. Go to **https://slco.to/CureBallot** to complete and submit the cure form online
