Commissary

If your operation does any of the following:

- Operates for more than 45 days in a calendar year
- Requires off-site food preparation prior to the event
- Uses melons that are not purchased pre-washed or pre-cut; commissary may be required for other produce
- Lacks access to a 3 compartment sink for dishwashing

You must obtain permission to use a kitchen facility (commissary) that is approved by Salt Lake County Health Department for advance food preparation, produce washing and dishwashing. Examples may include restaurant, church, school, or community center. The facility must have the ability to support your event menu and any preparation. **A separate permit and inspection are required for your commissary location. You must submit a separate commissary agreement form signed by you and the commissary owner/manager before your permit will be approved.**
