

# Salt Lake County Tuition Reimbursement Program Summary of Program

The Tuition Reimbursement Program was established to financially support Salt Lake County employees in their educational endeavors where those pursuits benefit the County. The tuition program has specific criteria that must be met to participate in the program. Please carefully review the points listed below and refer to <a href="Human Resources Policy">Human Resources Policy and Procedure 6-300: Tuition Reimbursement Program</a> for more details.

As with all County benefits, the County Council may choose to modify the Tuition Program. Therefore, acceptance into the program does not guarantee payment.

For further information on the current program, please contact *Cynthia Carrington in Human Resources at CCarrington@slco.org or 385-468-0576.*
