Volunteer Criminal Record Waiver Form

The volunteer opportunity you applied for requires a criminal history records check. In accordance with Salt Lake County Ordinance section 2.80.150 and Human Resources Policy 2-500, Background Check Requirements, criminal history record checks are used to make volunteer placement decisions. A volunteer may be disqualified if the criminal background check reveals relevant, function-related criminal history.

The information from your criminal history records check will be kept confidential by the Salt Lake County Human Resources Division. Convictions that may disqualify you for the volunteer opportunity will only be reported to person(s) involved in the volunteer placement decision.

You have the right to review your criminal record. If you disagree with any disqualifying information on your criminal record, you may challenge your record and request a copy by contacting the Utah Bureau of Criminal Identification via their website: bci.utah.gov.
