**Footnote:**

Beginning with the 2025 Final Adjusted Budget, the County separately reports certain state-mandated pass-through revenues and expenditures—such as portions of sales taxes, Transient Room Tax, Multi-County Assessing and Collecting property taxes, and RDA tax increment. These amounts are not available for County programs or services and, in many cases, are distributed directly to other entities. In budget documents published before the 2025 Final Adjusted Budget, pass-through amounts were included within the regular revenue and expenditure sections of the document rather than shown separately.
