2. Tier I funding calculations are based on Qualifying Expenditures (QEs).
3. Based on 2024 ZAP Statute, beginning in 2025 an Aviary shall receive 8.25% of the total Zoological Category allocation, a Zoo shall receive the same amount received in 2024, and an Aquarium shall receive the remainder of the total Zoological Category allocation. These allocations are based on estimated 2024 and 205 ZAP tax receipts and will be adjusted to reflect final ZAP tax received when received.
