

ZOO, ARTS & PARKS IMPACT PROGRAM COLLABORATIVE

PROGRAM STATISTICS

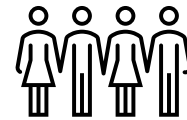

5

Sessions

38

Organizations

41

Participants

"My biggest takeaway from the Impact Program is knowing that we have resources and a support system throughout our community. The program encouraged relationship building with other leaders and I feel supported by new friends and colleagues. I also left with an abundance of resources I can call upon when I need to implement new processes for reporting and tracking data."
