

Riverbend Men's League

The **Riverbend Men's League** is one of the largest in the Salt Lake valley and it continues to grow with over 200 league members registered each year. Riverbend Men's League plays 9 holes every Wednesday throughout the season, which typically begins the first week of April and finishes the last week of October. Throughout the year the Men's League will rotate between the front nine and back nine each week during the season. League members are allowed to play any time on Wednesday but **MUST** play with at least one league member for scoring purposes. Tee times are on a first come, first serve basis and can be made up to 7 days in advance.

The Men's League has a **Regular Division**, age 18 to 54 years old, and a **Senior Division**, age 55 to 137 years old. Gross and Net are paid out each week in both divisions. Each division is divided into two flights based on handicaps with each flight having an equal number of players.

The Men's League will establish and maintain your club handicap for weekly Men's League play. We recommend players get and maintain a UGA handicap but it is not required to play in the weekly events.

Yearly Registration Fee: \$40

Weekly Event Fee: \$10 + 9 hole green fee, cart optional

All \$10 goes into the prize fund and is paid out each week to the winners.
